# Terry Yorath's View

Dear Supporters,

Many, many thanks for the support and encouragement you gave the team last Saturday during our game with Darlington. We played well together and Alan Davies' spectacular overhead opening goal set the scene for our 3-0 victory and took us into the vital PLAY-OFF stage.

This afternoon we welcome Rotherham United and their manager Billy McEwan in the First Leg of the Semi-Final

Play Off and play the return at their Millmoor Ground on Wednesday 18 May.

We must produce the same form this afternoon as we did last Saturday to entertain the winners of the Torquay/Scunthorpe Semi-Finalists at the Vetch on 25 May.

As I write these notes we are preparing to have a welcome four day break at Aberystwyth to ease the pressure and get us fighting fit for the Rotherham game.

I am hoping that we will double the 4,000 attendance this afternoon — Rotherham are a good team — they will certainly go all out to stay in the Third Division and I look forward to your cheers to start us on the road to PROMOTION.

Enjoy yourselves — we will do our best!

TERRY YORATH

The ref failed to turn up for our Sunday afternoon football match but we were saved by a rather old 'lady' who agreed to do the job for us. I wonder where she got the Wellies from! On Monday morning we travelled to Gretna Green for a

'wedding' of two or our members, Bob and Bethan.

Sunday night was a super affair with two darts matches against the locals - they won them both - and kept the bar open until late. It must have been very late because some fools returned to their hotels around 3 in the morning. Some

#### ROTHERHAM UNITED

Not surprisingly, today's match breaks new ground for us. We have played against Rotherham in the F.A. Cup (1951-52 here at the Vetch - won 3-0); in the old Football League cup (1965 drew 2-2 at Rotherham and won 2-0 here); and in Divisions Two, Three and Four of the English League. Clearly today's match is different from all those, yet it brings with it the potential prize of promotion and/or relegation plus the thrill of a cup game. We can be sure that this will NOT be an end-of-the-season bore. There will be more than the odd tingle surging through the nervous systems of both sets of supporters before the final whistle

Not that this will have been the first time that such excitement will have swept the ground in matches between our two sides.

Who can ever forget that nerve-tingling game here at the Vetch during our promotion campaign from Division Three? On that hot September evening Rotherham, led by former-Swan Dai Gwyther charged to a 4-1 lead. The 17,065 crowd were dumb-struck, but the Swans fought back to make it a 4-4 draw. Phil Boersma was making his debut that night and, when he came off at the end, he declared himself "shattered". Later that season we won 1-0 at Rotherham through an Alan Waddle goal and, subsequently won promotion.

Exciting as both those games were, neither was as important as that played almost thirty years earlier at Rotherham. The match was played on 26th April 1952 and we needed to win to avoid being relegated. 14,074 people were in the ground to see the Swans win a tense match (3-1) and save themselves. Beech (C), Medwin and Williams (D) scored for us, whilst White was the home scorer. For those who enjoy reliving yesterday's games, here are the teams which played that day:

#### SWANS:

King, Kiley, Beech (G), Williams (D), Weston, Thomas, Medwin, Lucas, Turnbull, Allchurch (I), Beech (C). ROTHERHAM:

Bolton, Selkirk, Williams, Edwards, Gibson, Rawson, White, Wragg, Shaw, Guest, Tomlinson.

But all that was long ago. Today's game is another opportunity for the players to let their adreniline flow and for the crowd to sense the joys and despair which winning and losing bring. I am sure that our visitors will understand our desire to see our team winning. Yet we do so in the proper spirit of Association Football

#### THE VETCH

Sunday is here at last It is a lovely day To reach the ground we travel fast To watch our hero's play.

The ground is full and tension mounts As kick off time draws near The teams run out, I look and count As everyone is dear.

A roar of welcome fills the air I've never heard such sound To lose the match, they would not dare Not on, our own home ground.

The Swan's kick off, and heed the call And soon our eyes are wet As Sean McCarthy plants the ball Into the Rotherham net.

This season we've been all dismayed And the supporters had no notion, When the last match has been played That we would win promotion.

## Special Tribute

## CHAIRMAN DOUG SHARPE'S SPECIAL TRIBUTE TO THE LOYAL FANS OF SWANSEA CITY F.C.

This afternoon's match with the MERRY MILLERS from Rotherham will, I feel sure, go down in the Swans history ranking in importance with our entry into the First Division.

I take this opportunity to offer my sincere thanks for the generous SUPPORT received from the Clubs fans who have shown so much patience and above all LOYALTY during our struggle for existence — and now our fight for promotion to the Third Division.

Every effort is being made to restore Swansea City F.C. to its rightful place in the higher Divisions and I call on you to cheer on the lads this afternoon as you did against Darlington at the Vetch last Saturday.

We were all thrilled to see you show your appreciation at the end of our 3-0 victory and Manager Terry Yorath and team took great heart from this demonstration of SUPPORT.

Enjoy the match and remember, I cannot achieve SUCCESS without your support. I conclude with a sincere THANK YOU and the message that I, the Directors and Manager will do our best to ensure entertaining and successful football at the Vetch Field, Swansea.

DOUG SHARPE

FEATURING NEWS AND INFORMATION FROM THE FOURTH DIVISION

#### DIVISION FOUR SCENE with TONY NAKONECZNYJ

With the tremendous excitement generated by last weekend's 3-0 home victory over Darlington still reverberating around the streets of the city, we come to today's first stage of the play off system to take Third Division Rotherham in what is sure to be another of those nerve racking encounters that have occurred at the Vetch Field this past decade or so. The manner in which the Swans overcame a hard working Darlington outfit suggests that the side may have found their form at the right moment, with a brilliant overhead goal from Alan Davies followed by an equally well executed free kick routine neatly finished off by Sean McCarthy. After this afternoon's fixture, the team goes to Millmoor for the second leg of the semi final on Wednesday 18th May. Success over the two legs would see us play the final, again over two legs, on the 25th and 28th of this month against the winners of the Scunthorpe v. Torquay semi final.

Scunthorpe must have felt that they had done enough to warrant an automatic promotion place after the 2-1 win at Torquay last weekend with goals from Flounders and Richardson, but Bolton earned that spot by virtue of the 1-0 win at Wrexham, courtesy of a Robbie Savage strike that gave them the three points.

Elsewhere Leyton Orient missed the sixth spot as a result of their 2-0 home defeat by Champions Wolverhampton Wanderers, where goals from Dennison and Robinson claimed the spoils and allowed our lads to secure that very important play off position. Hard luck story also for Peterborough who as forecast in last weeks notes went to Crewe and kept a clean sheet in a 1-0 victory - just five goals conceded in their past fourteen games — but missed out on a play off spot due to an inferior goal difference to ourselves.

Hope you enjoy this afternoon's game

# on the Reserves and Youth Teams

Reserves Last Monday evening the Reserves won 1-0 against Cardiff City at Ninian Park. David D'Auria scoring the vital goal in the first half. This was our last Reserve team match of the season. Gary Emmanual, Dudley Lewis and Phil Williams played with John Lewis and Ian Love feeling no ill effects after the full 90 minutes.

Youth Team On Tuesday at Merthyr's Penydarren Park we came away with a great 4-0 victory over Merthyr in the Quarter Final of the Youth Cup. David D'Auria and Mark Coates each netting 2 goals. After the Play Off against Rotherham on Sunday we will play Cardiff Corries in the Semi-Final of the National Youth League Cup.

Injured List Joe Allon is showing improvement and along with Keri Andrews they both expect to have their plaster cut off shortly. David Hough is still waiting the all clear from the specialist.

All at the Vetch Field hope the First Team will prove successful in the Play Offs and make it to the Third Division.

#### Football for the Family

Generally it's been a good season for football. Attendances have been up by nearly 3 per cent, which means they have increased in successive years for the first time since England's World Cup victory stimulated interest in the game more than two decades ago.

Liverpool have dominated the game bringing it to a new level. Like, Daglish's men, Bradford City found tragedy in 1985, but now play to capacity crowds. Middlesbrough in the hands of a receiver less than two years ago also played to large crowds this season. In the third Sunderland won over their public again, and in the fourth Wolves despite their financial uncertainty also regained their honour and support.

This time last year Lincoln were doomed, now we welcome them back to the throng. Proving in football, all is never lost, they have won the GM Championship at the first attempt, and had a very successful year financially.

As we can testify many more clubs now have something to play for, right to the end of the season. The public want matches with meaning. They want competition, which is why the Sherpa Van Cup for third and fourth division clubs boasts the biggest audience increase of any competition this season.

Behaviour has varied this season culminating in the fine on Swindon's Chris Kamara. Sensibly, the league has acted saying clubs will have points deducted for persistent transgression.

And then there was Robert Maxwell. Can you imagine what would have happened if Watford, Oxford and Derby had been fighting relegation or whatever all owned by the Maxwell empire?

However, the league have once again shown that they

are out of touch with the majority of their supporters. How — the Mickey Mouse Centenary celebrations! A gigantic flop best forgotten!

At all levels, goals came from jammed offside traps, which is encouraging.

Finally and most importantly the Swans are in the play off! As I said at the beginning of the article — it's been a good season for football! JAMES LEWIS
